

Strumenti per l'Espresso

etnica Display

AUTOMATIC
2 gr • 3 gr

with optional
LED lights on the groups,
nut wood kit, Limited Edition sides and
electronic injection autosteamer

It is the top of the range and an evolution of the Etnica model.

Automatic, with covered groups and display, it represents the indivisible bond between modern and ancient, where the future is son of history and the most modern technology matches with sounds and past times.

AUTOMATIC

2 gr • 3 gr
